PRESS RELEASE:

Velocity Vehicle Group, the premier group of commercial vehicle dealerships in the SouthWest, is pleased to announce that the company has acquired Big T's Freightliner of Oxnard, California. This will extend VVG's service area north into Ventura county and allow VVG to offer its customers an even greater support base throughout Southern California.

This expansion is particularly exciting in light of the strong team in Oxnard. The operation there is well respected with a full crew of seasoned professionals in each department. We are happy to welcome the members of the Oxnard team into the VVG family.

Torben ("Big T") and Adrienne Frederickson have been the owners for more than 30 years. From Conan Barker, President of VVG, "The Frederickson's built a well-respected business in Ventura and VVG wishes them the best of success in the next chapter of their lives. They certainly have much to be proud of in the operation they built and the strength of the team that VVG will inherit."
